

Say You Love Me or Say Goodnight

REO Speedwagon

Here I come again
I don't really care to turn back
Trying to find you directions
But I seem to be losin' track

I believe we ought to make a run for it
just to see how far we can go
I ain't just around for the fun of it
But until you try it, baby, you'll never know so...

Say you love me or say goodnight
Say we've made up or on with the fight
'Cause there's no love lying' in the eyes of the night so,
Say you love me or say goodnight

There's no use hangin' on a memory
No good livin' a lie
I got no use for mediocrity
You know tonight's the night
We either do it or die
