

Someone Tonight

REO Speedwagon

You've got it. I want it.
Surrender. Don't run away.
Some say I'm cold-blooded.
I'd say I'm just not that way.

I need someone tonight.
Someone to hold on to me tight.
I need someone tonight.

If I could convince you,
If you would just say all right.
I'd treat you so tender.
Then leave you and never write.

I need someone tonight.
Someone to hold on to me tight.
I need someone tonight.
