That Ain't Love

REO Speedwagon

You tell me what you think I'm feelin' You know why I do what I do Why should you listen to a word I'm sayin' When it's already so clear to you You tell me 'bout my bad intentions You doubt the very things I hold true I can no longer live with your misconceptions Baby all I can say to you, is

That ain't love I believe you've got the wrong emotion That ain't love at least it doesn't feel like love to me As long as I say what you wanna hear Do what you wanna do, be who you want me to be You think that's love well baby that ain't love to me

We've got to talk it over sometime These feelings won't just disappear I'm just gonna keep telling you what's on my mind Even if it's not what you wanna hear

Ooooh right now your world and mine are such different places Through yours I wander lost and confused And I feel like I'm speaking in a different language And the only words I haven't used

Are that ain't love I believe you've got the wrong emotion That ain't love at least it doesn't feel like love to me As long as I say what you wanna hear Do what you wanna do, be who you want me to be You think that's love well baby that ain't love to me

You keep tellin' me You know a place where your life would be better You're makin' plans long-range But I don't know how you expect to get there When you refuse to change - yeah

(instrumental)

Oooh baby - that ain't love I believe you've got the wrong emotion No baby, that ain't love at least it doesn't feel like love to me As long as I say what you wanna hear Do what you wanna do, be who you want me to be You think that's love well baby that ain't love to me

Oooh baby that ain't love

Love love love love love love That ain't love, ooh no Baby that ain't love, That ain't love That ain't love That ain't love
