## **REO Speedwagon**

It's all on my shoulders
And it was gettin harder to bear
Each day I was gettin older
And I was startin to show the wear
Tonight I'm gonna get it all
Gonna lay my work on the shelf?

Tonight, tonight, I'm comin home to you

Tonight, tonight, I'm comin home to you it was a hard run this
time momma

And it ain't ever gonna get easier

I'm searchin through my memories

And I can't remember of a year?

But tonight I'm gonna get it all

Gonna lay my work on the shelf

Tonight, tonight, I'm comin home to you (2x) (solo)

Tonight, tonight, I'm comin home to you (4x)
