

Three Shining Suns

Reptar

I've been night running
Falling in the street
Just when I'm exhausted
I realize I am asleep

Black feathers brush me
Into an alternate way
Now my eyes are open
This is what you say

I don't want to lose you
Don't want to let you go
We fit together so well
Folds into folds

Waking up is hard babe
Silky greens on my face
Three shining suns lay, in a moment of grace

Out of blood come bruises
Out of tears comes salt
Out of me comes apology
You know it wasn't my fault
I don't want to lose you
Don't want to let you go
We fit together so well
Folds into folds
