

I've Known The Garden

Res

[Chorus:]

One of these days the gig is up
Shouldn't we take the time now
To show our love

Yeah, I got the blues again
My mistake
Tell me did you see the end coming
Now I'm searching for a sign
But looking back there're only good times
Now I'm on the road again
My soul aches
It's clear that match won't work for me
And now though things don't seem so hot
I know I gave him all the love I got

Bye-bye roses
I got me a hand that's bitter sweet
But I don't care
I've known the garden

Bye-bye roses
I got me a hand that's bitter sweet
But no regrets
I've known the garden

[Chorus]

She was always my best friend
Never late and coffee ice cream made her smile
Now she's left and gone away
And I'm here by myself another day
And though I'll miss her to no end
My heart breaks
Tell me did she see the end coming
At least I know it was sunny
All the time that she spent with me

Bye-bye roses
I got me a hand that's bitter sweet
But I don't care
I've known the Garden

Bye-bye roses
I got me a hand that's bitter sweet
But no regrets
I've known the garden

[Chorus]
