

## Say It Anyway

Res

Say it anyway if you want to  
'Cuz I don't care anymore if they hear you  
Say it anyway if you want to  
'Cuz I don't care anymore if they hear you

We might head out from our show pocket  
Maybe from now on I'll do what I say  
My legs do their work but my heart  
sometimes just can't get it straight  
I always knew I had it in me  
not to be nobody's second rate

Chorus:

Say it anyway if you want to  
(Say what you want to use up)  
'Cuz I don't care anymore if they hear you  
(I don't know who gives up)

Chorus

I hope you won't go out of my way  
Your jay is empty  
And you've got nothing to give  
I took it all that was mine  
And there it goes in first place  
You had me thinking I had lost the one thing  
Only you could make

Chorus (4x)
