

Feel My Way To You

Restless Heart

There was black and white
Now I'm on a sea of gray
I was satisfied
Now there's just an empty space
I know only you hold just what I'm lookin' for
What I'm lookin' for

Do I pray for sweet redemption
What am I supposed to do
Now do I wait for some direction
Or do I just feel my way to you

What I'm searching for
Is just something more than this
I've opened every door
There must be something that I missed
Am I even close to the road that leads to you
Road that leads to you

Do I pray for sweet redemption
What am I supposed to do
Now do I wait for some direction
Or do I just feel my way to you

Do I just feel my way to you

Do I pray for sweet redemption
What am I supposed to do
Now do I wait for some direction
Or do I just feel my way to you
Feel my way to you
Do I just feel my way to you
Do I just feel my way
Do I just feel my way to you
