

## Feel My Way To You

Restless Heart

There was black and white  
Now I'm on a sea of gray  
I was satisfied  
Now there's just an empty space  
I know only you hold just what I'm lookin' for  
What I'm lookin' for

Do I pray for sweet redemption  
What am I supposed to do  
Now do I wait for some direction  
Or do I just feel my way to you

What I'm searching for  
Is just something more than this  
I've opened every door  
There must be something that I missed  
Am I even close to the road that leads to you  
Road that leads to you

Do I pray for sweet redemption  
What am I supposed to do  
Now do I wait for some direction  
Or do I just feel my way to you

Do I just feel my way to you

Do I pray for sweet redemption  
What am I supposed to do  
Now do I wait for some direction  
Or do I just feel my way to you  
Feel my way to you  
Do I just feel my way to you  
Do I just feel my way  
Do I just feel my way to you
