Feel My Way To You

Restless Heart

There was black and white Now I'm on a sea of gray I was satisfied Now there's just an empty space I know only you hold just what I'm lookin' for What I'm lookin' for

Do I pray for sweet redemption What am I supposed to do Now do I wait for some direction Or do I just feel my way to you

What I'm searching for Is just something more than this I've opened every door There must be something that I missed Am I even close to the road that leads to you Road that leads to you

Do I pray for sweet redemption What am I supposed to do Now do I wait for some direction Or do I just feel my way to you

Do I just feel my way to you

Do I pray for sweet redemption What am I supposed to do Now do I wait for some direction Or do I just feel my way to you Feel my way to you Do I just feel my way to you Do I just feel my way to you
