

## River Of Stone

## Restless Heart

There's a highway that runs right through this town  
Just a stream of light when the sun goes down  
She'd look out the window to the west  
One day this note was all she left  
Right now you don't see, but you're just like me

[CHORUS]

River of stone, wild and lonely  
Can you show me what lies beyond  
Take me where they don't know me  
By tomorrow morning I'll be gone

This old town is way too small  
You've seen one face, you've seen 'em all  
The only way things will ever change  
Is to set your feet on the outbound lane  
Oh how did she know one day I would follow?

[REPEAT CHORUS]

[BRIDGE]

Some got to move, some just stand still  
Some take their chances, some never will

[REPEAT CHORUS]
