What Might Have Been

Restless Heart

Sure, I think about you now and then But it's been a long, long time Well I've got a good life now, cos I moved on So when you cross my mind

I try not to think about what might have been Cos that was then and we have taken different roads We can't go back again, there's no use giving in And there's no way to know what might have been

We could sit and talk about this all night long And wonder why we didn't last Yes, they might be the best days we will ever know But we'll have to leave them in the past

So try not to think about what might have been Cos that was then and we have taken different roads We can't go back again, there's no use giving in And there's no way to know what might have been

That same old look in your eyes It's a beautiful night I'm so tempted to stay But too much time has gone by We should just say goodbye And turn and walk away

And try not to think about what might have been Cos that was then and we have taken different roads We can't go back again, there's no use giving in And there's no way to know what might have been No, we'll never know what might have been
