

Right On Time

Resurrection Band

Your love was right on time

I remember when I was young
Swayed in the grass of an autumn sun
I'd feel the wind upon my face
Before it blew to another place

But I've grown older since the magic of those days
Forgotten how the breezes make the meadows play

Your love was right on time

Somethin' tells me I'm not alone
Travellin' down this lonesome road
I feel sometimes that I could cry
Not knowin' the reasons why

Then He told me I was losin' all control
Then He told me I could lose my very soul
I knew I could not make it on my own
Then you came along and made me whole

Your love was right on time

Seasons passin' as they will
Fields are mown and the ground lies still
Now in sorrow it comes to mind
Left more than youth and fields behind

Now in mercy it comes to mind

Your love was right on time
