

Waiting Here

Reuben Morgan

Everything will work out
Everything will work out
For Your glory
I know You'll use it all

Fall upon Your mercy
Call upon Your kindness
Will You come to me
And search my heart again

And I'm on my knees waiting here for You
In Your holy place
And my heart is home
In Your courts oh Lord
How I long for You

Everything will work out
Everything will work out
When I see You
I'll know I'll understand

And I'm my knees
waiting here for You
In your holy place
And my heart is home
In your courts oh Lord
How I long for you
