

World Through Your Eyes

Reuben Morgan

Hear the silence shout
Highest praise
God to You alone
All creation waits
On Your every word
Where time and heaven meet

Let me see forever
With eyes You've opened
Standing in the beautiful light
Hold me near
Hold me near to You
And let me see the world through Your eyes

In this perfect hour
I am changed
I'll never be the same
Help me follow You
And keep in time with the sound
Of heaven in me

Hide me in Your love again
Let me hear the songs of Your heart
