

There is a thing that I know that does it better than  
me  
And I haven't wanted to be all the things I can be  
And I'd bash it all away, if I could  
If I believed that it would make me good.  
Good.

To us it is the way I am built  
To us it is the way I deal with things  
To us I am an old, old man  
And if I can't take your sex  
I'll take your hand

Stick close to me and I will keep you safe  
Nothing is important to me any more except for you  
Don't lie to me I think I've earned the truth  
I am good  
I am good

And if I could hold you down and drown you in my arms  
I would  
If I could freeze you now to keep you as you are  
I would

I am good  
I am good  
I am good

I won't hear  
So don't say it  
Don't say it  
Don't say it  
Don't say it

Stick close to me and I won't let you go  
All if this is worth it if it means a thing to you  
So suffer me, that is all you can do  
I am good  
I am good

If I could hold you down and drown you in my arms  
I would  
If I could freeze you now to keep you as you are  
I would
