

## Three Hail Marys

Reuben

I am regret, I am doubt, I am alone, I am without, I am  
dispair, I am guilt, I am the sand on which I built.

I am a laze, I'm wasted youth, I am aggression, An ugly  
truth, I am refusal, I am attack, I got the world set  
on my back.

And I can't stand the weight  
No I can't stand the weight

I am revolt, I am abuse, I am gave up, I am excuse, I'm  
pessimism, I'm jealousy, I am impatience and biggotry,  
I am a pain, I am a bore, but when you sing people tend  
to listen more, Is this a song, one hour late, this is  
a musical complaint.

I got hate, I got rage, I got enough for twice my age,  
And this feeling, gets taste.  
One of your systems will not stop.

And I can't stand the weight  
No I can't stand the weight  
No I can't stand the weight  
No I can't stand the weight  
No I can't stand the weighhhhtttt

And I am going to break  
These things in my heart  
Dark and disgusting  
Feeling and growing  
Taking over

Ohh-Whoah-Ohh-Whoah  
Ohh-Whoah-Ohh-Whoah  
Ohh

All of us are born the same  
the same as pop parts  
the same as christ

And it's all within my frame  
to do something awful, or something nice

"WWHHAAOOUU SAFELY"  
"HAIL MARYS, FOR ME"

Ugh, girl yeah your mouth is open wide,  
I can see everything inside, you better keep your mouth  
shut for now,

Now girl, yeah your mouth is open wide,  
I can see everything you hide, you better keep your  
mouth, keep your mouth shut, better keep your mouth  
shut.

"Ah-ah-ahhhhh"  
"Ah-ah-ahhhhh"

"Ah-ah-ahhhhh"

"Ah-ah-ahhhhh"

Now girl, yeah your mouth is open wide,  
I can see everything you hide, all of the times that  
you lied, keep your mouth shut, keep your mouth shut,  
keep your mouth shut

keep your mouth shut, keep your mouth shut, keep your  
mouth shut, keep your mouth
