

Words From Reuben

Reuben

Something to write home about
The fade of your smile
I knew you were giving up
I've known for a while

I am always here for you
I am always near by you

Your 'two for me' attitude
Is always the same
I laugh at the sound of your voice
And I'm sorry I came

I pick up the slack for you
And I sing it back to you

Hands up everyone who feels cheated
How dare it be like this?
Feel bad for the weak one I am
Cos I let it happen

There's a thrill in something new
And I hope it lasts, don't you?
And if not, I hope we do
I could fall asleep on you
