

# Adrenalize

Rev Theory

Been a long time, long time coming  
Been a long time  
Now it's running out  
Coming for you, to take you down  
Live or die, live or die  
At the limit  
Fly to hell on a one way ticket down  
There's no one around to save you now  
Step right up  
Eat your heart out  
One taste brings you back to life

Adrenalize  
One shot between the eyes  
Adrenalize  
Last chance before you die  
Adrenalize  
One shot between the eyes  
Adrenalize  
Last chance before you die

Been a long ride, long ride gunning  
Been a long ride  
Now you're coming down  
Into the fire of the devil man  
Never die, never die  
'Til you get it  
Flat line on the edge  
To the other side  
Where no one denies the deliverance  
Step right up  
Hold your arms out  
One fix brings you back to life

Adrenalize  
One shot between the eyes  
Adrenalize  
Last chance before you die  
Adrenalize  
One shot between the eyes  
Adrenalize  
Last chance before you die

Step right up  
Eat your heart out  
One taste brings you back to life

Adrenalize  
One shot between the eyes  
Adrenalize  
Last chance before you die  
Adrenalize  
One shot between the eyes  
Adrenalize  
Last chance before you die
