Rev Theory

Never been the one to give in  
Never been the one to fail  
The enemy is who I'm killing  
Keep on fighting tooth and nail  
Fight, Fight  
I won't back down  
Fight, Fight  
I won't back down  
Fight, Fight  
It's you or them now  
You or them now, you or them now

Mission completed, I am undefeated  
Mission completed, I am undefeated  
I'm undefeated

Never been the one to listen  
Never been the one to feel  
Sanity is what I'm missing  
Pray the lord my soul to sell  
Fight, Fight  
But I won't back down  
Fight, Fight  
But I won't back down  
Fight, Fight  
It's you or them now  
You or them now, you or them now

Mission completed, I am undefeated  
Mission completed, I am undefeated  
I am undefeated

Never been the one to give in  
Never been the one to fail  
Never been the one to give in  
It's you or them now  
You or them now, you or them now

Mission completed, I am undefeated  
Mission completed, I am undefeated  
Mission completed, I am undefeated  
I am undefeated
