

# Wanted Man

Rev Theory

Head down on a pillow of concrete  
I won't rest in peace either way  
And I won't be forgiven  
And I will never give in  
I'll give you something if you wanna believe

Won't ever belong  
Just wanna be free

I'm a wanted man  
Got blood on my hands  
You keep tellin' me to back down  
Won't do it  
Livin' on the wrong side of a bullet  
I'm a wanted man  
Never stood a chance  
Renegade from the day that I knew it  
Livin' on the wrong side of a bullet

Laid down in a garden of envy  
Time is standin' still every day  
And I won't be forgiven  
And I will never give in  
I'll save you something but I can not be saved

Won't ever belong  
Just wanna be free

I'm a wanted man  
Got blood on my hands  
You keep tellin' me to back down  
Won't do it  
Livin' on the wrong side of a bullet  
I'm a wanted man  
Never stood a chance  
Renegade from the day that I knew it  
Livin' on the wrong side of a bullet

And if i get out alive  
I won't be on my knees (Yeah, yeah)  
And if I get out alive...

I'm a wanted man  
Got blood on my hands  
You keep tellin' me to back down  
Won't do it  
Livin' on the wrong side of a bullet  
I'm a wanted man  
Never stood a chance  
Renegade from the day that I knew it  
Livin' on the wrong side of a bullet
