

Jezebel

Reverend Horton Heat

If ever a devil was born
Without a pair of horns
It was you, Jezebel, it was you

If ever an angel fell
Jezebel, it was you
Jezebel, it was you

If ever a pair of eyes
Promised me paradise
Deceiving me, grieving me
Leaving me blue
It was you, Jezebel, it was you

If ever a devil's plan
Was made to torment man
It was you, Jezebel, it was you

Could be better had I never known
A lover such as you
Forsaking dreams and all
For the siren call of your arms

Like a demon, love possessed me
You upset me constantly
What evil star is mine
That my fate's design should be

If ever a pair of eyes
Promised me paradise
Deceiving, believing, believing you
It was you, Jezebel, it was you

If ever a devil was born
Without a pair of horns
It was you, night and day, every way
Jezebel, Jezebel, Jezebel
