I got a pig and it's pink and big  
Hey baby I got a pig  
Yeah come on baby you and my pig

Nurture my pig  
Now you talk that slop now baby  
And my pig he loves that slop  
Slop baby I got your slop

Come on baby you and my pig  
Nurture my pig

Hey baby I got a pig  
I got a pig and it's pink and big  
Hey baby I got a pig  
Yeah come on baby you and my pig

Nurture my pig, nurture my pig
