

Seven

Revis

It's all over
It's all over now
The seal is broken
Creatures spoken now

I hope you come up
To heaven right now
It's all over
It's all over now

Can I be changed
Or am I the same

It's all over
It's all over now
No room for hiding
We're children fighting now

And I hope you come up
To heaven right now

It's all over
It's all over now
Can I be the same

The rain is falling
The rain is falling now
Today we're leaving
Our souls are calling now

The stars on his right
Holding seven right now
The rain is falling
The rain is falling now

Can I be changed
Or am I the same

The same
Can I be changed
