

Forever

Revive

Do you feel like giving up?
Are you at the end yet?
Have you lost the hope you had?
Is your heart set?

This is not how it ends,
I won't lay down no more, no,
I will fight to the end, but I cannot win,
Only with you I'll live forever, forever, yeah,
Forever, forever, yeah.

Well, I seen it all before,
He's been through it with you,
He's got hopes and plans for you, so give it all to him now.

Give it all to him.

This is not how it ends,
I won't lay down no more, no,
I will fight to the end, but I cannot win,
Only with you I'll live forever, forever, yeah,
Forever, forever.

This is not how it ends,
I won't lay down no more, no,
I will fight to the end, but I cannot win,
Only with you I'll live forever, forever,
Forever, forever, yeah.
