

I Need You

Revive

Stumbling through this life, I'm hopeless on my own,
Lead me with your hand; I'm not meant to be alone.

But I need you,
I need you,
I need you.

The day I first believed, you set a fire in my soul,
Build it up again, let it burn out of control.

I need you,
I need you,
I need you.

Oh, I need you,
I need you,
I need you.

'Cause I change, but you remain the same,
Turn my dark into light,
Ah, you come here, let me disappear into your arms tonight.

I need you,
I need you,
I need you.

Many years from now, when all my days are done,
Take my hand in yours, for my days have just begun.

I need you,
I need you,
I need you.

Oh, Lord, I need you,
I need you,
I still need you,
I still need you,
I need you,
I need you,
I need you.
