

Cretin

Revocation

Hail the freak!

The king of the creep show

Abhorred and adored

A creature so intriguing

The crowd keeps wanting more and more

So come on

Give em a show

Step right up to the pedestal of mockery

They want to see this miscreant of misery

Chained and caged

Never to see the light of day

Driven insane

Malformed and deranged

Onlookers gawk and laugh

They feed him discarded scraps

Lashed by the master s whip

Perpetual punishment

Covered with open sores

Curse the day that he was born

No creature s as freakish as he

His deformity reigns supreme

Solo: Dave

Tomorrow the freak awakes upon a brand new stage

He knows there is only one way to escape

The crowd is horrified as he takes his own life

The grand finale ended with a suicide
