## Revocation

Manipulating the minds of men  
Concealed in darkness I prey  
Twisting the psyches of the weaklings  
Leading them further astray

Come my loyal subjects  
Do my bidding as I direct  
I, creator of atrocities  
The shaper of monstrosities

Greed, lust, and gluttony these are but just a few of my favorite sins  
Forfeit your sanity and surrender to me  
Feel my vile presence within
