

# The Watchers

## Revocation

Incantation

Welcoming the Watchers  
Astral invasion  
A foulness beyond time

Their hunger is insatiable  
Slaked only by annihilation  
Unrelenting  
In harvesting life energies

Writhe and claw  
Dominate  
Ascend to a prominent dominion.  
A blaze transforms this tepid kingdom.  
Enslaved: encapsulated.

Blackened spires twist  
Against malevolent sky  
Ghastly pyres  
Cleanse this earthly realm

Insectoid chatter pulsating, churning,  
Cleaving continental rifts  
Howling victims  
Silenced amidst cacophony

Writhe and claw  
Dominate  
Ascend to a prominent dominion  
A blaze transforms this tepid kingdom.  
Enslaved: encapsulated.

Linger in the vacancies of time  
No flesh stranger  
Fungal predator divine  
Servants, Ancient  
Their intentions are malign  
Born to suffer the torment of the Watchers
