

# Get Out Of My Head

Rex Goudie

I hold you to your promises\*  
But they all turn out to be fake  
I'm standing here in silence,  
Trust in you is a chance I take

If I could do what I wanted to  
I might just say what I feel

I gotta get out of my heads  
I'm running circles once again  
So amazed and confused, I feel jaded and used  
When will this end?  
I gotta get out of my head

You came through the shadows  
Making sure to hide your eyes  
I'm trying to get the answers,  
I'm tired of wasting all my time

If I could do what I wanted to  
I might just say what I feel

I gotta get out of my heads  
I'm running circles once again  
So amazed and confused, I feel jaded and used  
When will this end?  
I gotta get out of my head

Woah

I've heard all these lies before,  
I get what I deserved and more  
So why should I believe you now?

I've had enough of you  
But still there's no excuse  
If I could do what I wanted to  
I might just say what I feel

I gotta get out of my heads  
I'm running circles once again  
So amazed and confused, I feel jaded and used  
When will this end?  
I gotta get out of my head
