## Six Months In A Leaky Boat

**Rex Goudie** 

When I was a young boy I wanted to sail around the world That's the life for me, living on the sea Spirit of a sailor, circumnavigates the globe The lust of a pioneer, will acknowledge No frontier I remember you by, thunderclap in the sky Lightning flash, tempers flare, 'round the horn if you dare I just spent six months in a leaky boat Lucky just to keep afloat

Aotearoa, rugged individual Glisten like a pearl At the bottom of the world The tyranny of distance Didn't stop the cavalier So why should it stop me I'll conquer and stay free Ah c'mon all you lads Let's forget and forgive There's a world to explore Tales to tell back on shore I just spent six months in a leaky boat Six months in a leaky boat

Ship-wrecked love can be cruel Don't be fooled by her kind There's a wind in my sails Will protect and prevail I just spent six months in a leaky boat Nothing to it leaky boat.
