

# From Chaos to Eternity

## Rhapsody of Fire

From chaos to eternity

Dead space all around  
Grey shades, not one sound  
Dark thoughts, half-alive  
Chaos born, life denied

Dead space!  
(All around)  
Grey shades!  
(Not one sound)

Dark thoughts!  
(Half-alive)  
Life denied

I'll live!  
(Make me live)  
I'll feel!  
(Let me feel)

I'll be!  
(Make me be)  
Set me free

I need him, I see him  
A new emotion fills me  
(Save my soul)

Inside me, beyond me  
Expanding to his cosmic will  
(Save my world)

[CHORUS:]  
AN ANGEL SPOKE  
HIS SOUL WILL SOAR FROM RUINS OF HATE  
SILENT PAIN, ENDLESS WAR  
LED FROM CHAOS TO ETERNITY

MORTAL DESTINY  
HIS BLEEDING RHYME OF DIVINE TRAGEDY  
A NEW TRACE OF HOPE IS CARVED IN HIM  
THE SECRET OF MY UNIVERSE, MY SIN

From chaos to eternity

Darkened entity  
Chasing loneliness  
Nowhere I can hide  
One choice: truth or lie?

Darkened  
(Entity)  
Chasing  
(Loneliness)

Nowhere

(I can hide)  
Truth or lie?

I'll live!  
(Make me live)  
I'll feel!  
(Let me feel)

I'll be!  
(Make me be)  
Set me free

I need him, I see him  
A new emotion fills me  
(Save my soul)

Inside me, beyond me  
Expanding to his cosmic will  
(Save my world)

[CHORUS:]  
AN ANGEL SPOKE  
HIS SOUL WILL SOAR FROM RUINS OF HATE  
SILENT PAIN, ENDLESS WAR  
LED FROM CHAOS TO ETERNITY

MORTAL DESTINY  
HIS BLEEDING RHYME OF DIVINE TRAGEDY  
A NEW TRACE OF HOPE IS CARVED IN HIM  
THE SECRET OF MY UNIVERSE

[Solo]

[CHORUS:]  
AN ANGEL SPOKE  
HIS SOUL WILL SOAR FROM RUINS OF HATE  
SILENT PAIN, ENDLESS WAR  
LED FROM CHAOS TO ETERNITY

MORTAL DESTINY  
HIS BLEEDING RHYME OF DIVINE TRAGEDY  
A NEW TRACE OF HOPE IS CARVED IN HIM  
THE SECRET OF MY UNIVERSE, MY SIN

From chaos to eternity  
Set me, set me free!
