

# I Belong to the Stars

## Rhapsody of Fire

ANOTHER DAY, ANOTHER TIME  
ANOTHER FLAME THAT BURNS DIVINE  
ANOTHER WORD, ANOTHER THOUGHT  
ANOTHER SIN, ANOTHER HOPE  
ANOTHER REASON TO AWAKE AND LIVE THIS LIFE

Caught in silver clouds  
Enlightened by a mystic full moon  
You designed the horizon  
And amaze my minute heart

Past, present, future  
Trapped in this concept of time  
I raise my mind's eye  
To the infinite which lies

In a silent night spreading wild  
Stellar might, dark Heaven  
Fill my art, trance my way  
Shining grace forever

ANOTHER DAY, ANOTHER TIME  
ANOTHER FLAME THAT BURNS DIVINE  
ANOTHER WORD, ANOTHER THOUGHT  
ANOTHER SIN, ANOTHER HOPE  
ANOTHER REASON TO AWAKE AND LIVE THIS LIFE

'CAUSE ONCE MORE I BELONG TO THE STARS  
I BELONG TO THE STARS

Hiding forbidden truths  
Keepers of knowledge hard to define  
Keepers of velvet secrets  
Veiling softly our cries

Jewels reflecting light  
Evolving cores of galactic life  
You who forged my essence  
The wild breath of mortal mind

In a silent night spreading wild  
Stellar might, dark Heaven  
Fill my art, trance my way  
Shining grace forever

ANOTHER DAY, ANOTHER TIME  
ANOTHER FLAME THAT BURNS DIVINE  
ANOTHER WORD, ANOTHER THOUGHT  
ANOTHER SIN, ANOTHER HOPE  
ANOTHER REASON TO AWAKE AND LIVE THIS LIFE

'CAUSE ONCE MORE I BELONG TO THE STARS

ANOTHER DAY, ANOTHER TIME  
ANOTHER FLAME THAT BURNS DIVINE  
ANOTHER WORD, ANOTHER THOUGHT  
ANOTHER SIN, ANOTHER HOPE

ANOTHER REASON TO AWAKE AND LIVE THIS LIFE

ANOTHER DAY, ANOTHER TIME  
ANOTHER FLAME THAT BURNS DIVINE  
ANOTHER WORD, ANOTHER THOUGHT  
ANOTHER SIN, ANOTHER HOPE  
ANOTHER REASON TO AWAKE AND LIVE THIS LIFE

'CAUSE ONCE MORE I BELONG TO THE STARS  
I BELONG TO THE STARS  
ONCE MORE I BELONG TO THE STARS
