

## Tears of Pain

## Rhapsody of Fire

Electric whispers  
Are falling with rain  
Freeze my decisions  
And my tears of pain  
Spirits of winter  
Are calling my fate  
In this hell's dominion  
See my final day!

Di luce ed ombre  
Io vivro'  
Al mio destino gridero'!

I just want to live again  
And listen all my tears of pain  
Falling shadows, chains of fate  
Embrace my soul, my tears of pain

Memories are burning now  
Inside my brain  
Shadows are calling  
From a sea of rage  
Old mystic vision  
Come and bring me pain  
And be my religion  
Just take me away!

Di luce ed ombre  
Io vivro'  
Al mio destino urlero'!

I just want to live again  
And listen all my tears of pain  
Falling shadows, chains of fate  
Embrace my soul, my tears of pain

Sento nell'aria  
Pace ed odio tra me e te  
Give me more, give me the light, the sign  
It's my final day  
Embrace my soul!

Tra luce ed ombre  
Io vivro'  
Al mio destino gridero'!

I just want to live again  
And listen all my tears of pain  
Falling shadows, chains of fate  
Embrace my soul, my tears of pain

Is this my final day?  
Tears, fears, now inside my dreams  
My tears of pain
