

# Queen Of The Dark Horizon

## Rhapsody

ROSA NERA SUSSURRANTE PIANGE SANGUE  
D'INNOCENZA / DALL'ABISSO LEI RITORNA PER  
URLARE LA SENTENZA

The witches are riding, wolfs howl at the moon while  
candles are lighting the black mess of fools / The  
daughter of evil the mistress of shame her tomb is  
now open to allow her awake / ...'cause she is the  
princess of sorrow, 'cause she is the bringer of pain  
while gothic portals of saddness call her  
unpronouncable name

Moonlight is lighting her face  
down in the crypts of the damned  
Her sins will not be the last  
when the rituals start

BLACK CANDELS BURNING ANNOUNCE HER COME  
BACK / THE REIGN IS AWAITING THE QUEEN OF THE  
DEAD... OF THE DEAD!

The poison is ready, the words are pronounced / the  
portals are open, her soul wanders thought / Her body  
is moving, her heart of bitch pounds Is Kron who  
lives in her, in her open wounds /,,, 'cause she was  
devoted to darkness, drinking black blood for her god  
Witch of perversion and luxury suicide as true lover of  
Kron

Moonlight is lighting her face  
down in the crypts of the damned  
Her sins will not be the last  
when the rituals start

BLACK CANDELS BURNING ANNOUNCE HER COME  
BACK / THE REIGN IS AWAITING THE QUEEN OF THE  
DEAD... OF THE DEAD!

ROSA NERA SUSSURRANTE PIANGE SANGUE  
D'INNOCENZA / DALL'ABISSO LEI RITORNA PER  
URLARE LA SENTENZA

Oh, God... the passage is open / the souls of the  
damned are ready to cross it... / Godforsaken bitch...!  
Your fucking army of dead will never be so powerful  
to break the chains of wisdom... beware!

My land don't cry  
My birds don't stop to fly  
Poor child don't die  
don't let her taste your blood

Gargoyles and wizards prepare this last ride  
mountains and valleys are calling your might  
Mystical sunshines prelude to her coming  
the black flame of evil is burning and growing

Queen... queen of the dark horizons!

Forest of ghostland give your sad welcome  
to the ancestral whisper of hell  
Sodomy, pestilence, torture and bloodshed  
is what she brings from her past of depraved

Queen... queen of the dark horizons!

Her body is moving, her heart of bitch pounds / Is  
Kron who lives in her, in her open wounds / ,,, 'cause  
she was devoted to darkness, drinking black blood for  
her god / Witch of perversion and luxury suicide as  
true lover of Kron

Moonlight is lighting her face  
down in the crypts of the damned  
Her sins will not be the last  
when the rituals start

BLACK CANDELS BURNING ANNOUNCE HER COME  
BACK / THE REIGN IS AWAITING THE QUEEN OF THE  
DEAD.
