

Queen Of The Dark Horizon

Rhapsody

ROSA NERA SUSSURRANTE PIANGE SANGUE
D'INNOCENZA / DALL'ABISSO LEI RITORNA PER
URLARE LA SENTENZA

The witches are riding, wolfs howl at the moon while
candles are lighting the black mess of fools / The
daughter of evil the mistress of shame her tomb is
now open to allow her awake / ...'cause she is the
princess of sorrow, 'cause she is the bringer of pain
while gothic portals of saddness call her
unpronouncable name

Moonlight is lighting her face
down in the crypts of the damned
Her sins will not be the last
when the rituals start

BLACK CANDELS BURNING ANNOUNCE HER COME
BACK / THE REIGN IS AWAITING THE QUEEN OF THE
DEAD... OF THE DEAD!

The poison is ready, the words are pronounced / the
portals are open, her soul wanders thought / Her body
is moving, her heart of bitch pounds Is Kron who
lives in her, in her open wounds /,,, 'cause she was
devoted to darkness, drinking black blood for her god
Witch of perversion and luxury suicide as true lover of
Kron

Moonlight is lighting her face
down in the crypts of the damned
Her sins will not be the last
when the rituals start

BLACK CANDELS BURNING ANNOUNCE HER COME
BACK / THE REIGN IS AWAITING THE QUEEN OF THE
DEAD... OF THE DEAD!

ROSA NERA SUSSURRANTE PIANGE SANGUE
D'INNOCENZA / DALL'ABISSO LEI RITORNA PER
URLARE LA SENTENZA

Oh, God... the passage is open / the souls of the
damned are ready to cross it... / Godforsaken bitch...!
Your fucking army of dead will never be so powerful
to break the chains of wisdom... beware!

My land don't cry
My birds don't stop to fly
Poor child don't die
don't let her taste your blood

Gargoyles and wizards prepare this last ride
mountains and valleys are calling your might
Mystical sunshines prelude to her coming
the black flame of evil is burning and growing

Queen... queen of the dark horizons!

Forest of ghostland give your sad welcome
to the ancestral whisper of hell
Sodomy, pestilence, torture and bloodshed
is what she brings from her past of depraved

Queen... queen of the dark horizons!

Her body is moving, her heart of bitch pounds / Is
Kron who lives in her, in her open wounds / ,,, 'cause
she was devoted to darkness, drinking black blood for
her god / Witch of perversion and luxury suicide as
true lover of Kron

Moonlight is lighting her face
down in the crypts of the damned
Her sins will not be the last
when the rituals start

BLACK CANDELS BURNING ANNOUNCE HER COME
BACK / THE REIGN IS AWAITING THE QUEEN OF THE
DEAD.
