

Come Around

Rhett Miller

I'm dressed all in blue and I'm remembering you
And the dress you wore when you broke my heart
I'm depressed upstairs and I'm remembering where
And when and how and why'd you have to go so far

Am I gonna be lonely for the rest of my life
Am I gonna be lonely for the rest of my life
I'm gonna be lonely for the rest of my life
Unless you come around so come around

I'm dressed all in white and I remember the night
You came on to me and opened up my heart
I was hollow then till you filled me in now I'm empty again
I should have never let it start

Am I gonna be lonely for the rest of my life
Am I gonna be lonely for the rest of my life
I'm gonna be lonely for the rest of my life
Unless you come around so come around

No one else can fix me although sometimes my heart tricks me
Into thinking someone else will do
But you're the only one you are the only one
Am I gonna be lonely for the rest of my life

Am I gonna be lonely for the rest of my life
I'm gonna be lonely for the rest of my life
Unless you come around so come around
So come around so come around

I'm dressed all in blue and I'm remembering you
And the dress you wore when you broke my heart
