

## Out Of Love

Rhett Miller

There is a real possibility that there's really something wrong  
With ? all that ? I'm up to no good  
There is a strong suggestion, baby without a question  
That all after ? I'm up to no good

I'm on a long way from home  
I'm only all day when I am gone  
I only miss you when I'm with you  
I'm only happy when I'm singing a sad, sad, song

Or you keep my fortune, throw it into the ocean  
No matter what you say, I'm drifting away  
Hold on to my ? can't hold on to me  
No matter what you say, I'm drifting away

I'm on a long way from home  
I'm only all day when I am gone  
I only miss you when I'm with you  
I'm only happy when I'm singing a sad, sad, song

There is a real possibility that there's really something wrong  
With ? all that ? I'm up to no good  
There is a strong suggestion, baby without a question  
That all after ? I'm up to no good

I'm on a long way from home  
I'm only all day when I am gone  
I only miss you when I'm with you  
I'm only happy when I'm singing a sad, sad, sad, sad

Out of love, out of love, you know, out of love  
Out of love, out of love, you know, out of love

I'm on a long way from home  
I'm only all day when I am gone  
I only miss you when I'm with you  
I'm only happy when I'm singing a sad, sad, sad, sad

Out of love, out of love, you know, out of love  
Out of love, out of love, you know, out of love
