

Don't Bring Her Down

Rhino Bucket

High tops and a velvet dress, her skin's a cold caress
Shotgun with a loaded friend, she's running on empty
again
Mainline with a glitter twist, she wants the life she
missed
Dark eyes and a cocaine drip, she bites down
But I don't want to be, I don't want to be the one
Nice curves and a vicious smile, she's always in denial
Fly high and you won't get touched, she's never asked
for much
Once more for old times sake, it may just be too late
Ten years to get it right, she wants to change
But I don't want to be, I don't want to be the one
I will never be, I will never be the one
Don't bring her down
Don't bring her down, down, down
Don't bring her down
Two days too late they said, they found her in the bed
Her doll was by her side, she held tight and said good-
bye
But I don't want to be, I will never be the...
