

Even the Sun Goes Down

Rhino Bucket

Get off your high horse
Get off on yourself
Don't show me your big blue eyes
Don't tell me that you're innocent
You say you're a lady
And ladies got class
I don't need no Prima Donna
All I need is a piece of ass
Don't go, too slow
I don't need no lover
Closed eyes, tell no lies
Give it a shot
Sittin' on your front porch
Sippin lemonade
I can see through your summer dress
The reasons why I misbehave
You say you're a woman
Not a little girl
I can tell by the way you smile
The time has come for you to learn
Don't go, too slow
I don't need no lover
Closed eyes, tell no lies
It's all supply and demand
Even the sun goes down
Payin' your dues
On a backseat cruise
Even the sun goes down
Bending over backward
On your high-heel shoes
Even the sun goes down
Daddy saw his angel
On the night time news
Even the sun goes down
I don't know what to say
Ah, hell
Wow, let's do it again
(Chorus)
I don't know what to say
Oh, well
I think we're done for the day
