

To Be Mine

Rhino Bucket

Every night you feed on my tears
My misery makes you smile from ear to ear
All the things you do and all the things that you don't
I know that I should leave but we both know that I won't
'Cause I'm just a lonely guy
And I need a lonely girl To Be Mine
There are times when I reach for the door
But then I sit down just like every time before
There are things I want and so much that I need
But no matter how hard I try, I can't bring myself to leave
Once again the story stays the same
Boy meets girl and both just go insane
There may be love, it may only be lust
But when the lights go out, I do what I must
