Rhodes

Losing my affection in the water  
Chasing my complection in the time  
Keeping all my secrets in the cold cold wind  
I can hear you calling in the night

Home, keep hold of my heart and  
I try to run away and i try to run away

Ohhh I lose my way  
Ohhh I lose my way

Tracing all my footstep in the night  
Daylight turn to darkness ...

Move all night  
Move all night

Home, keep hold of my heart and  
I'm trying to find a way I'im trying to find a way

Home, keep hold of my heart and  
I'm trying to find a way I'im trying to find a way

Ohhh I find my way  
Ohhh I find my way

Ohhh Im coming home  
Ohhh Im coming home
