Crazy Love

Rhonda Vincent

Tonight I'm gonna break away Just you wait and see I'll never be imprisoned by a faded memory

Just when I think I'm over her This broken heart will mend I hear her name and I have to cry The tears come down again

It happens all the time, this crazy love of mine Wraps around my heart, refusing to unwind Crazy love

Count the stars in a summer sky That fall without a sound And then pretend that you can't hear These teardrops comin' down

It happens all the time, this crazy love of mine Wraps around my heart, refusing to unwind Crazy love

Tonight I'm gonna break away Just you wait and see I'll never be imprisoned by a faded memory

It happens all the time, this crazy love of mine Wraps around my heart, refusing to unwind Crazy love

Tonight I'm gonna break away
