

Major Minor Love

Rhye

I'm so bad, I'm so bad (4x)

Across your face...

You've got my heart beating triple time

A dark rhythm beating just behind

Expose those subtle rewards across your face

I'll lace your thighs with beautiful lies, kidnap your mind

I'll help you find a gentle pain that runs through your veins

It's like the sun, with black rays

So bad, I'm so bad, I'm so bad, I'm so bad

I'm so bad, I'm so bad, I'm so bad

I'll win over that side in you

I'll be that pretty noise for you

I'll be that sonic boom

So bad, I'm so bad, I'm so bad, I'm so bad

I'm so bad, I'm so bad, I'm so bad

I went over that part of you

Played that pretty line just for you

I'll be that gentle tune (a gentle tune)

You're caught in my bind, a different kind

I'll help you find what's in your mind

I'll be that pain across your face

So much pain...

It's like the sun, with black rays

So bad, I'm so bad, I'm so bad, I'm so bad

I'm so bad, I'm so bad, I'm so bad

It's a major minor love

So many things I want to do

I'll split you into two, making you two minds about it...

So bad, I'm so bad, I'm so bad, I'm so bad

I'm so bad, I'm so bad

You'll be my body of work

It's a major minor love

I'm so bad, I'm so bad (4x)

It's a major minor love (a major minor love)

I'm so bad, I'm so bad (3x)
