

Major Minor Love

Rhyme

I'm so bad, I'm so bad (4x)

Across your face...

You've got my heart beating triple time
A dark rhythm beating just behind
Expose those subtle rewards across your face

I'll lace your thighs with beautiful lies, kidnap your mind
I'll help you find a gentle pain that runs through your veins

It's like the sun, with black rays
So bad, I'm so bad, I'm so bad, I'm so bad
I'm so bad, I'm so bad, I'm so bad
I'll win over that side in you
I'll be that pretty noise for you
I'll be that sonic boom
So bad, I'm so bad, I'm so bad, I'm so bad
I'm so bad, I'm so bad, I'm so bad

I went over that part of you
Played that pretty line just for you
I'll be that gentle tune (a gentle tune)
You're caught in my bind, a different kind
I'll help you find what's in your mind
I'll be that pain across your face
So much pain...

It's like the sun, with black rays
So bad, I'm so bad, I'm so bad, I'm so bad
I'm so bad, I'm so bad, I'm so bad
It's a major minor love
So many things I want to do
I'll split you into two, making you two minds about it...
So bad, I'm so bad, I'm so bad, I'm so bad
I'm so bad, I'm so bad
You'll be my body of work
It's a major minor love

I'm so bad, I'm so bad (4x)
It's a major minor love (a major minor love)
I'm so bad, I'm so bad (3x)
