

One of Those Summer Days

Rhyme

It's one of those pretty summer summer days
It's one of those pretty summer summer days

Just a tiny one
Just a tiny one
Just a tiny one
Come this way
Come this way
Just a tiny way
Come this way
Come this way

It's one of those pretty
It's one of those summer summer days
I wish you could see it
It's one of those pretty summer summer days

Just a tiny one
Just a tiny one
Just a tiny one
Come this way
Come this way
Just a tiny way
Come this way
Come this way
