

Anyone Out There

Rialto

On a mission through the night
Sounds and actions, flashing lights
Don't care what time's on the clock
Hear the discotheque tick-tock

Before they play the final tune
And I'm standing alone in a crowded room
Is there anyone out there?
Is there anyone out there?
There must be somebody somewhere
Is there anyone out there?

What's the point in going home
To a silent answer phone?
Smoking cigarettes in bed
Noises ringing in your head

Before they play the final tune
And I'm standing alone in a crowded room
Is there anyone out there?
Is there anyone out there?
There must be somebody somewhere
Is there anyone out there?
Is there anyone out there?
There must be somebody somewhere
Is there anyone out there?
