

Wild Is The Wind

Rialto

Love me, love me say you do, let me fly away with you. For my love is like the wind. Wild is the wind, wild is the wind.

Give me more than one caress, satisfy this hungriness. Let the wind blow through your heart. Wild is the wind, wild is the wind.

You touch me - I hear the sound of mandolins. You kiss me - with your kiss my life begins. You're spring to me, all things to me. Don't you know you're life itself?

Like the leaf clings to the tree, oh my darling cling to me. For we're like creatures of the wind. Wild is the wind, wild is the wind
