

# Death And Beyond

Ribspreader

There is only one place to go  
There is only time for a final show  
I will take you there - and end your suffering

Death  
Death and Beyond  
(You can go but I can't follow)  
To Death and Beyond  
I suffer left below

There is only room for chosen few  
So be happy that I chose you  
I will take you there  
And take away your life

Yeah...  
Death and Beyond  
(You can go but I can't follow)  
To Death and Beyond  
I suffer left below

I am the taker of lives  
It's because I despise my own  
I suffer just as you forever - yeah

Death and Beyond  
(You can go but I can't follow)  
To Death and Beyond  
I suffer left below
