

Burn The House

Rich Gang

Oh Oh naa Ohhh, ayee yaa
Ooh I know we started wrong,
Wish the things I said was gone,
Oh then I could still make love to you
Leave our towels in the bathroom,
Pictures in the living room,
Dishes in the kitchen, Girl let's just,
Burn this house down, girl
Leave everything inside
Burn this house down, Ohhh ohh uhh
Burn this house down, Oh naa
It'll never be the same,
Let's burn our house down,
Leaving everything behind now,
Let's burn this bitch down
